City of Ishpeming

**CITY OF ISHPEMING
FAIR HOUSING PLAN**

Efforts to Address Impediments to Fair Housing Choices

Fair housing choice means that all persons have the same access to housing choices regardless of race, color, national origin, religion, sex, disability, familial status or income level. An impediment to Fair Housing Choice is a barrier or an action that prevents a person from exercising that right. Some of those barriers may include a shortage of affordable housing, income variables, discrimination based on historical prejudices and a lack of knowledge/education about fair housing choices.

Efforts to Affirmatively Further Fair Housing

Title 1 of the Housing and Community Development Act of 1974, as amended, requires that the City of Ishpeming, as a recipient of CDBG funding, affirmatively further fair housing. Generally this is through promoting and publicizing Fair Housing and Civil Rights laws. The City of Ishpeming must develop a method of documenting efforts to promote and monitor fair housing activities. This Fair Housing Plan will provide activities the City will take to accomplish this requirement.

Fair Housing Activities to Further Fair Housing

The City Council has identified the following activities, which will promote and further fair housing opportunities to residents of the City:

Fair Housing Activity	Status
Adoption of Fair Housing Policy	City Council adopted a Fair Housing Policy.
Display state and federal fair housing posters at the Ishpeming City Hall.	Posters on display at city hall offices.
Develop and display informational materials to promote local awareness of fair housing laws and guidelines.	Fair housing pamphlets available at City Hall.
Promote fair housing activities	The Ishpeming City Council will issue a Fair Housing Month proclamation in April.
Display of equal housing opportunity sign	A sign indicating the City supports Equal Housing Opportunity is displayed at city hall.

City of Ishpeming Affirmatively Furthers Fair Housing

The Ishpeming City Council recognizes the importance of fair housing and certifies they will take appropriate steps to affirmatively further fair housing.

ADOPTED BY THE ISHPEMING CITY COUNCIL, MARQUETTE COUNTY, MICHIGAN.

Dear Council Members,

As part of my contract, I am required to seek approval training. I am not aware of the course listed in this email (below and attached), as having been previously approved by the council. However, it is my belief that this course will go a long way in my learning Planning and Zoning for the City.

We have not yet established a business rule for how I obtain your permission to attend such training. I believe it is in my interest to sign-up for this training and then present at the next council meeting. However, it would be really great if we could establish a rule/process for obtaining permission for these types of events outside of a council meeting to prevent risk of paying fees and not being authorized or having to wait and risk not getting enrolled in the course.

Contract items 18 and 19:

"Professional education, dues and membership fees for employee shall be paid by the City as budgeted and approved by the council".

"Employee shall advise the City Council before attending any conferences, seminars, or courses for continuing education outside of Marquette County, Michigan. Employee shall be reimbursed for such seminar or conference fees, plus his expenses, within the amount budgeted by the City".

With your permission, I would like to attend this course. I do see that the dates present a conflict with one City Council Meeting (6 May 2020). Your approval of my attendance requires approval of my absence for this city council meeting.

Please advise,
