Greetings,

Michigan municipalities receive funding from the State of Michigan known as revenue sharing. This source of funding underwent some significant changes under Michigan Governor Rick Snyder. Governor Snyder created a program called the Economic Vitality Incentive Program (EVIP), which was revised during 2014 and renamed the City, Village, and Township Revenue Sharing Program (CVTRS). The program includes steps that Michigan municipalities must take in order to receive funding as part of this incentive system.

For the State's Fiscal Year 2020-21, the City of Ishpeming can earn up to \$341,079 by meeting all of the requirements of accountability and transparency under the CVTRS program.

This Debt Service Report is one part of the accountability and transparency requirement, the others being a Citizen's Guide reporting on recent local finances, a Performance Dashboard that illustrates various measures of community quality, and a Projected Budget Report including the current and upcoming fiscal years. All debt activity presented is as of December 31, 2019.

Sincerely,

Craig H. Cugini

Craig H. Cugini
City Manager
