AGREEMENT BETWEEN
THE PARTRIDGE CREEK FARM
AND
THE CITY OF ISHPEMING

AGREEMENT NUMBER 2020-0003

This is an Agreement between the City of Ishpeming and the Partridge Creek Farm covering “demonstration garden” and “personal garden” sites, as defined in the Zoning Ordinance, with a lawn meter or “separate meter” being used as the main meter.

1. Partridge Creek Farm (PCF) states their mission as an educational farm located in Downtown Ishpeming that is dedicated to improving local access to fresh produce, building a healthy community, and promoting education on sustainable food systems. PCF supports the City in creating sustainable living education, inspirational gardens, and area beautification while focusing on educating our young residents.
2. Partridge Creek maintains several gardens throughout the City which provide residents with the opportunity to grow their own food or harvest from a modest selection of fresh produce grown at the site by PCF.
3. In the course of these endeavors, PCF uses water during the warmer months, a portion of which is used for watering plants or other uses which do not result in waste water entering the sanitary sewer system, and which would qualify for “separate meter” billing under City of Ishpeming Ordinance 12-500 if PCF had another water meter installed at the site.
4. The City will waive the monthly minimum water rate charge for the months of November through March, and will also waive the monthly sewer charges for all months, for water as described in the above Paragraph 2., provided that:
 - a. PCF will seek to utilize alternative and self-sustaining watering systems, such as rain capture systems and holding tanks where possible;
 - b. PCF will ensure that the water meter is properly installed and used for all water provided by the City; and
 - c. PCF refrains from using City water for the months November through March.
5. The Partridge Creek Farm will:
 - a. Continue to provide programs within the City, including youth programs and gardens; and
 - b. Work with the City and other groups to seek grant funds and opportunities which could enhance city properties for public use.
5. The Parties may contact each other in regard to this contract as follows:

Chad M. Radabaugh
Chief of Police

To: Interim City Manager Grant Getschow and City Council Members
From: Police Chief Chad Radabaugh
Purpose: Purchase of new patrol vehicle.

As part of my upcoming 2025 budget I will be requesting to purchase a new patrol vehicle, in the amount of \$52,028.00. An additional \$22,946.87 is being requested to outfit the new patrol vehicle, for a total of \$74,974.87. These numbers are based on quotes received from Langhammer Ford of Owosso (MI Deal Contract), El-Com, Motorola and Icon Signs.

I have reached out to several dealerships in an attempt to locate a vehicle to purchase. We located Lunghamer Ford of Owosso, who has the MI deal contract for Ford patrols vehicles, Contract# 071B7700180. On July 18, 2024, I was contacted by Lunghamer Ford and advised they were able to obtain one 2024 patrol vehicle.

1. A 2024 Ford F150 Super Crew 4x4 Police Responder Pickup: \$52,028.00
2. Elcom Systems is our authorized dealer for all things involving outfitting vehicles. Below is their quote (\$16,212.00) to outfit a 2024 F150 Police Responder Pickup. I did reach out to the only other police outfitter in the UP, which is a newer business out of Laurium, MI (Keweenaw Solutions), their quote was for \$21,645.00.

\$16,212.00

With this vehicle we would need a new in car radio. El-Com has the State of Michigan contract for Motorola and we were given the quote to add the radio into the outfitting package:

3. \$5,734.87

I estimate that Icon Signs will cost approximately \$800.00 to place lettering on the new patrol vehicle.

I am asking council to waive competitive bidding and approve the purchase of a 2024 F150. I am asking that the council consider purchasing the vehicle this year 2024, instead of 2025.

Sincerely,

Chief Chad M. Radabaugh
