

ORDINANCE NO. 11-100

AN ORDINANCE TO PROVIDE FOR THE NUMBERING OF LOTS AND BUILDINGS
IN THE CITY OF ISHPEMING

THE CITY OF ISHPEMING ORDAINS:

Section 11-101. On all streets and avenues in the City of Ishpeming the buildings and lots shall be assigned numbers in accordance with the plan prescribed by this ordinance.

Section 11-102. Buildings and lots on all east and west streets shall be numbered from Main Street as a base line, one hundred numbers being assigned to each block and the numbers increasing towards the east and towards the west. The even numbers shall be on the right hand side advancing from the base line in either direction from the base line.

Section 11-103. Houses and lots on all north and south streets shall be numbered each way from Cleveland Avenue as a base line, the numbers increasing north and south from that street, commencing at one hundred, and assigning one hundred numbers to each block; the even numbers shall be on the right hand side of said streets, advancing in either direction from the base line.

Section 11-104. For the purpose of this ordinance all streets shall be designated north, south, east or west, with reference to the direction of the street from the base line.

Section 11-105. The owners and occupants of all buildings in said City shall cause the correct numbers to be placed thereon in accordance with the foregoing plan; such numbers shall be placed on the front of said buildings in a conspicuous place. All persons failing to comply with the provisions of this ordinance within ten days after it takes effect shall be fined not less than three and not more than ten dollars, and a like fine for every forty-eight hours of a failure to comply after the first conviction.

Adopted: September 17, 1886
