

APPLICATION FOR SIDEWALK PERMIT

Permit Fee (Non-Refundable): \$50.00

A permit to construct, repair, or relocate a sidewalk is requested by:

Name: _____

Address: _____

Phone No.: _____

Location of sidewalk: _____

Work proposed: Sidewalk: Length _____ (feet) x Width _____ (feet)
(Sidewalk must be 4" thick, or 6" thick at driveways and ramps.)
Curbing: Length _____ (feet)
(Curbing must be 6"x 18" and 1/2" rebar, or approved equal.)

Name of Contractor: _____

Address: _____

Phone No.: _____

Project start date: _____

Are you requesting the City to consider financial participation? YES NO

If yes, please include a quote from contractor along with permit application for approval.

A sketch must be included to illustrate proposed improvements in relation to right-of-way boundaries, utilities, etc. The City co-pay is 50% of total costs per Section 3(f) of Ordinance 6-500. Inspection must take place before any work begins. Second inspection is needed before the pour begins. Final inspection to be completed when work is finished. *NOTE: The City of Ishpeming will not participate with the co-pay of sidewalk work if the work is done prior to the City's inspection and authorization for the work to be performed, or if the work does not pass final inspection.*

Authorization is hereby granted to the above-noted to complete the sidewalk/curbing work as indicated according to City specifications and inspection.
