Recycling Program

Hours of Operation:
7am-3pm Monday-Friday

11/30/2016

Curbside recycling will be separated into two categories: *Fiber* and *Rigid* materials. These materials will be picked up separately on alternating weeks. Each week you should place the appropriate material on the curb the same day as your garbage pickup. See back side for a list of acceptable materials for each category. Below is the weekly schedule for 2017:

RECYCLING GUIDELINES:

- Separate fiber and rigid materials.
- Remove all caps and lids and rinse out rigids.
- Break down any boxes.
- Place separated recyclables in a solid tote.
- Fiber materials can be in a paper bag and/or hard bin or walled container.

DO NOT place recyclables in garbage bags or any other plastic bags.

Do **NOT** place in Recycling Cart:

This week look for these in the Mining Journal to see what week it is

Please note:
Your recycling **WILL NOT BE PICKED UP** if these guidelines are not followed.
