

Downtown Area Construction Plan (1st, 2nd, 3rd, and Pearl)

Through traffic and on street parking will be closed in phases during construction activities. All intersections will be left open to traffic to the greatest extent possible. Signs and detours will be posted around the areas of closure. A. Lindberg and Sons will work with businesses in the area to ensure access is maintained throughout construction. Additional signing when necessary will be posted to help facilitate this. Pedestrian access will be kept open.

Legend

-  Parking Area
-  Phase I Construction
-  Phase II Construction
-  Phase III Construction
-  Phase IV Construction
