

Greenwood St Construction Plan

Area will be constructed in ongoing phases, with detours around specific work areas shown. Through traffic will be limited to local businesses and homeowners. One full detour around entire area will be setup to encompass entire area in the beginning with smaller detours in use for local traffic. Access to the Robbins Flooring Mill and Carp St will remain open at all times. Pedestrian access will be left open at all times.

Legend

- Area Detour
- Work Area #1
- Work Area #2
- Work Area #3 - Flag Control
- Work Area #4 - Detour
