

N. 2nd Street Construction Plan

Construction of this area will require a street closure as work commences. Access to 2nd St will be limited as construction activities are occurring. Homeowners are asked to park in the alleys or side streets during construction, access will be open to pedestrians at all times. Parking for residents on the West side of 2nd St will be limited to alley access above the ballfield as well as the parking area off of 2nd St just South of the roundabout. Access to the Church will be open off of Michigan St or Maurice St at all times. Access to the Ishpeming Sports Complex will be through Wabash St and will be open at all times.
