Pine St Downtown Area Traffic Maintenance Plan

Ishpeming RD Water System Improvements
Contracts I, II, & III

The following is an overview of the Traffic control activities that will be implemented for this phase of construction.

1. On street parking and Thru Traffic will be closed for the duration of construction in this area.
2. Signs and Detours will be posted to help facilitate traffic movement in the area
3. Homeowners will be notified a week in advance of actual street they live on being closed for construction activities. This will be ongoing and in sequence as shown.
4. Please **do not** park on the street overnight inside the construction work zone, we may be forced to tow your vehicle to avoid damage.
5. Alley access and parking areas will be left accessible to the greatest extent possible
6. ALS will keep backfilling operations running concurrently with excavation activities to limit the amount of open disturbance to the best extent possible.
7. Pedestrian access will be maintained throughout construction activities, but please be careful when walking through construction areas.
8. ALS will provide all necessary special needs accessibility to homeowners and businesses as needed, if you need assistance please contact the City of Ishpeming to have them forward you to the proper people to handle your requests.
9. Garbage will be picked up from the curb by ALS and transported to a designated pick up location as construction activities take place in the area. Please just put your garbage out as you normally would, we will take it from there. ALS will help with all dumpster locations as needed to ensure they are accessible throughout construction
10. Any other questions or concerns please contact the City of Ishpeming or A. Lindberg and Sons Inc.
