Downtown Area (1st, 2nd, Pearl and 3rd) Traffic Maintenance Plan

Ishpeming RD Water System Improvements Contracts I, II, & III

The following is an overview of the Traffic control activities that will be implemented for this phase of construction.

1. On street parking will be limited for the duration of construction in this area, Thru traffic will be closed in phases and signs and detours established to help with traffic movement in area
2. Construction Activities will be done in phases to help limit the amount of street closures and Traffic impacts in the area.
3. Intersections closures will be held to a minimum but will be necessary from time to time. ALS will work these in a manner that holds their closures to a minimum. At no time will more than two intersections remain closed during the day. ALS will stage construction in a manner to keep these open overnight and weekends to the greatest extent possible.
4. Homeowners will be notified a week in advance of actual street they live on being closed for construction activities. This will be ongoing and in sequence as shown.
5. Access to alleys and parking areas will be kept open to the greatest extent possible.
6. Please **do not** park on the street overnight inside the construction work zone, we may be forced to tow your vehicle to avoid damage.
7. ALS will keep backfilling operations running concurrently with excavation activities to limit the amount of open disturbance to the best extent possible.
8. Pedestrian access will be maintained throughout construction activities, but please be careful when walking through construction areas.
9. ALS will provide all necessary special needs accessibility to homeowners and businesses as needed, if you need assistance please contact the City of Ishpeming to have them forward you to the proper people to handle your requests.
10. Garbage will be picked up from the curb by ALS and transported to a designated pick up location as construction activities take place in the area. Please just put your garbage out as you normally would, we will take it from there. ALS will help with all dumpster locations as needed to ensure they are accessible throughout construction
11. Any other questions or concerns please contact the City of Ishpeming or A. Lindberg and Sons Inc.
